ANNUAL REPORT

Dear AOMSI members,

It gives me great pride as Association's Secretary to present a brief report and the accomplishments of the association for the year 2015-16.

40th Annual Conference of AOMSI

Date : 19th, 20th & 21st November, 2015

Venue: Sri Guru Ram Das Institute, Amritsar

40th Annual conference was held in Amritsar under the leadership of **late Dr. Sumeet Sandhu** (Organising Chairperson), **Dr. Ramandeep Bhullar** (Organising Secretary) and **Dr. Amit Dhawan** (Scientific Chairman).

The conference was well attended by more than 1400 delegates including post graduates from various parts of the country. The scientific educational forum brought many renowned International and National speakers together to share their experience and knowledge regarding the latest innovations and advancements in Maxillofacial Surgery. For the first time, Electronic Voting Machine (EVM) was used effectively for the AOMSI Elections. This conference has set a bench mark for all the future conferences of AOMSI. The surplus amount of Rs. 8 lakhs was the profit from this conference.

Prestigious "*Dr MSN Ginwalla*" Oration was delivered by **Dr. Rajiv M Borle** on the topic of "*The Ethos of Education and Professional Life*".

Best Scientific Paper (Ginwalla trophy) in the delegate category was won by **Lt Col Rohit Sharma**.

Membership

The strength of the Association is increasing with the addition of 581 new members. Currently there are 1857 Student Life Members, 2 Annual members, 2 Affiliate members and the rest are Life members of AOMSI making total strength of 4512.

Journal (JMOS)

The year 2016 may easily be described as a momentous one for the Journal of Maxillofacial and Oral surgery (JMOS), the performance indicators of the past year i.e. 2015 have been impressive.

To start with we made a big leap in the financial front. In the year 2014, we received a royalty of Rs. 1,415,675/- and in the year 2015 we received a royalty of Rs 3,38,1316 about a growth of almost 150% in a year.

Full text downloads of our published papers have increased by almost 60% this year.

We have a calculated impact factor of 0.45 with the number of citations in 2015 being 69.

We are also very happy to announce that we have succeeded in being indexed by **Thomson Reuters (ISI)** in their new citation Index called **Emerging Sources Citation Index (ESCI)**.

Beginning with 2016 our journal will be indexed and abstracted in ESCI. As I write my final report it is my strong belief as well as fervent hope that we will soon be indexed by the main ISI index SCIE which generates an impact factor, allowing us to become one of the major players in the world of Maxillofacial surgical publishing.

If there has been a lot of good cheer to report this year, it is mainly due to the team of the hard working Editorial board- which we expanded this year-, our dedicated reviewers and the hundreds of contributors who have enriched us. I thank everybody for making this happen and am sure my successors will be reporting to us for many more years with great news about this journal

PROPOSED CONSTITUTIONAL AMENDMENTS

Proposed constitutional amendments for which 60 days notice is hereby given and circulated as per the constitutional requirement. The constitutional amendments have been discussed and passed in the EC and is being brought forward for ratification before it is send to the charity commissioner for inclusion in the constitution as amendment. In case of objection the matter will be put to vote for a 2/3 rd majority. The proposals are presented under three headings namely

1. Existing rules/ bye laws if any
2. Proposed changes
3. Justification for the same

➤ **Appointment of Auditor**

Existing rule as in Article V (25)

A Chartered Accountant shall be appointed as auditor of the AGM of the Association every year for

- (1) Auditing the accounts and certify to their corrections.
- (2) Giving suggestions for the proper keeping of accounts as required.

Proposed Changes

1. Appointment of permanent auditor from Pune or nearby place.
2. A permanent auditor for at least two normal terms of the treasurer (8 years) shall be appointed by the EC from Pune or nearby region. His fee shall be fixed by the EC and the treasurer shall enter into a mutually acceptable agreement regarding duties, remuneration, terms, extension of term and termination of agreement etc. The auditor shall maintain all records and receive all statement of accounts from the AOMSI Head Office as well as from the state chapters, as all accounts pertaining to receipts through membership, conference registration and other sources are processed through a single PAN card in the name of AOMSI. The designated auditor shall also be responsible for liaison between the AOMSI and its State Chapters with the Charity Commissioner's office in Pune and ensuring that the association is compliant with all statutory provisions. The appointment and continuance of the auditor shall be ratified at every AGM.

Justification

Constant change of Auditors will create discontinuity in transiting terms which can cause delay and confusion in the audit process. Further it is desirable to have an Auditor from the same place as the Office of charity commissioner, Pune so that he/she can liaison with them in case of any statutory requirement for personal appearance of the office bearers.

➤ **Duties, Power and Qualification to Contest for the Post of Office Bearers:**

(c) Post of Vice President :

Existing rule as in Article IV 20 (c) (i) Shall be elected from among the Annual/Life Members of the Association and should have been a Member in good standing for five preceding years and a member of the Executive Committee for two years with 50% attendance at its meetings.

Proposed changes to be replaced as 20 (c) (i) Shall be elected from among the Annual/Life Members of the Association and should have been a Member in good standing for five preceding years and a member of the Executive Committee for **three** years with 50% attendance at its meetings.

Justification

In getting qualified for the post of President the Vice President should have at least 4 years totally in the EC. This requires that the second highest post must have a pre qualification of at least 3 years to hold this post.

➤ **Eligibility for Executive Committee Member of AOMSI:**

<p>Existing rule as in Article IV 23 (2) Procedure For Election Of Office Bearers & Members Of Executive Committee: The applicant should be Member in good standing and their application shall have to be proposed and seconded by Annual/Life members in good standing.</p>
<p>Proposed Changes to be inserted as 23 (2) (I) The Applicant should have minimum of three attendance in Annual General Body Meetings of AOMSI Head Office.</p>
<p>Justification Newly joined Life members, aspiring to be EC members are usually not familiar with the bye laws, procedures, protocol etc of the AOMSI and are often unable to take up sub-committee responsibilities or contribute to the proceedings of the Association. This amendment will ensure that the EC members will get familiarized with the standard procedures of the Association and will be able to contribute more.</p>

➤ **EC members nominated/ elected from state chapters to the National executive.**

<p>State Chapter Guidelines : Existing rule as in Amendment No 1 (5) (B) (7) Representatives to the National EC of AOMSI from State Branch: a. Should have served as EC member for at least one year. b. For the first 5 years he/she should have been a member of the AOMSI for 2 continuous years</p>
<p>Proposed Changes to be inserted as (5) (B) (7) (c) (c)E C Members may be elected or nominated from state chapters for as many terms as needed. However only one good standing term of an EC member thus elected/ nominated will be counted as an eligibility term for seeking higher office.</p>
<p>Justification In some of the states, same EC members gets repeatedly elected / nominated and come to the national Executive. Those members aspire to hold higher Office in the National AOMSI should seek election through a national mandate.</p>

➤ **Timing of EC meeting**

<p>Existing rule as in Article IV 19 (c) (i) Conduct of EC meetings –as amended on 3rd June 2005 The EC meeting shall be held at least 3(three) times in a year, two during the AGM and one at the time of the midterm meet. Notice for the EC meeting shall be given to all the EC members at least 21 days in advance with details of place, time and the agenda of business to be held. Emergency EC can be held at short notice to address matters of urgency. The decision for calling the same can be taken by the President and Hon. General Secretary at the secretariat or other convenient location.</p>
<p>Proposed Changes to be inserted as 19 (c) (ii) (ii)All the Business meetings of AOMSI shall be held one day before the scientific deliberations of the conference. The EC members are therefore required to attend a day before the date of conference and the conference organising committee shall make arrangements for the venue of the EC. In view of the fact that EC members will need to arrive one day before, the AOMSI head office shall provide appropriate boarding for the members on a twin sharing basis.</p>
<p>Justification Since EC meetings clash with scientific programmes and several EC members are pre occupied with the scientific committee, there is inadequate time to discuss important matters pertaining to the EC which has several sub-committee reports and EC meetings are prolonged for almost 6 hours. So it is prudent to conduct all business meetings of AOMSI one day prior to the Conference. But at the same time this one extra day should not put additional financial burden on the EC members.</p>
