Foreword - RISE 2021

“ My mission in life is not merely to survive, but to thrive, and to do so with some passion, some compassion, some humour and some style! ”

- Maya Angelou

The above words are so appropriate for the times that we are going through – times of uncertainty, times of despondency, trying times when we need to continue to hope for better times and uplift each other in ways that we can!

So, We, the organizing committee of the 14th AOMSI- Tamilnadu & Puducherry branch-conference deem it our privilege to host everyone of you to this much awaited event – RISE' 21 (Reinnovate and Inspire for Surgical Excellence) to be held virtually on 21st and 22nd August 2021. We hope that the second wave of the Pandemic passes on without devastating us and we rise like the Phoenix to celebrate our speciality together and emerge more skilled and empowered to move on in life.

The Scientific content of the event is well planned with very interesting panel discussions, videos to show how to do techniques involving eminent surgeons from State, National and International level. Competitive events like Quiz, Awareness videos and e poster and paper presentations for Delegates and Postgraduates are also planned. The added feature of this conference is presentation of Trophy from Vinayaka Mission's Sankarachariyar Dental College based on Registrations , participation and Prizes winners and Dr. C. K. Dhanasekaran Trophy from the AOMSI- Tamilnadu & Puducherry branch to the First Prize winner in PG Prize Paper category. There are topics of interest to general practitioners and members of other dental specialities too.

We will be continuing with the initiatives taken by our predecessors and adding our own element of surprise to make this event enjoyable and memorable. We are earnestly working hard to make this event happen despite all odds.

Hoping for the best!

Looking forward to hosting you!

Best Wishes

Organizing Committee

14th Annual Conference of AOMSI (Tamilnadu & Puducherry Branch)

Scientific Session - 21 August 2021 - Day 1 *
