JAPAN, TMJ SURGERY RESIDENCY, USA

Professor and Head (OMFS), HDC, Sundernagar
Consultant maxillofacial head and neck surgeon

- North Vista head and neck surgery Centre, Chandigarh
- Dr. A.S. Thakur Memorial Multispecialty Hospital, Hamirpur
- Fortis Hospital, Kangra
- Project Director Smile Train, Hamirpur

Our institution hosts a dedicated Head & Neck Centre, integrated within a full-service Multispeciality Hospital offering complete ENT and Oral & Maxillofacial Surgery under one roof.

HIGHLIGHTS

We perform over 200 major surgeries annually, including:

- Head & Neck oncologist resections and Reconstructions
- Thyroid & Salivary Gland Surgery
- Maxillofacial Trauma
- TMJ Surgery including Arthroscopy
- Orthognathic Surgery
- Cleft & Craniofacial Surgery (Recognised Smile Train Centre)
- Dental Implantology & Office-based Procedures

ADDITIONALLY:

- We conduct a high volume of daily minor surgeries, implant work, /office procedures, and day-care interventions.
- Night duties are not routine.
- Occasional emergencies in trauma/head & neck practice.
- Rare overnight stay for complex postoperative monitoring.
- No in-campus accommodation. Affordable housing is available within walking distance.
- Commuting is easy. No personal vehicle required.
