

## ABOUT US

## Experience the Highest Quality Dental Care

At Sai Care Dental and Implant Clinic, we are a team of dental professionals offering high quality dental and facial esthetic services including Dental Implants, Aligners, TMJ Disorders, Dental Lasers, and Maxillofacial prosthesis. Our aim is to provide high quality health services to our patients through a personalized treatment.

Sai Care Dental and Implant Clinic, was established 25 years back with an aim to provide quality dental services under one roof. It's a first of its kind speciality dental implant and aligners clinic in Ahmednagar; a city blessed with saints like Avtar Meher Baba and Sai Baba.

Sai Care Dental and Implant Clinic, is equipped with modern techniques of infection control and sterilization, diagnosis and treatment planning. The centre has a B class autoclave which is the most advanced autoclave for sterilization, a separate implant section where all major implant surgeries including bone grafting and sinus lift are performed.
